

STATEMENT OF TERMINATION OF DOMESTIC PARTNERSHIP

This Statement Terminates Your Domestic Partner's Health Coverage.

This statement of Termination of Domestic Partnership is intended for the sole purpose of notifying your employer that your domestic partnership (for the purposes of benefits the employer offers through the Puget Health Insurance Trust (PHIT) has terminated. When this Statement is received by your employer, PHIT benefits for your domestic partner will terminate on the last day of the month in which your employer receives this Statement, or on a date consistent with existing policies and procedures your employer has in place.

This is not a COBRA notice. If the employer's group health plan is subject to the COBRA health care continuation law, your former domestic partner may have the right to elect to continue health coverage the same as a divorced spouse under COBRA. If this coverage is available, you or your former domestic partner must provide timely written notice of the termination of your domestic partnership to the proper party as described in the plan's COBRA notice procedures. If proper timely notice of the termination of domestic partnership is not provided, the domestic partner would lose the right to elect to continue health coverage. Ask your employer whether its plan is subject to COBRA, and for the plan's COBRA notice procedures.
